Discussion on the Laborers' International Union North America (LIUNA):

1. President Hayes stated that the purpose of the teleconference was to determine the means by which the delegates of the upcoming LIUNA Convention will be paid for their time at the Convention. The choice will either be for Local 305 to pay for the lost time of the delegates or for each delegate to utilize their own leave.
2. After a vote, it was determined by majority to have the delegates utilize their own leave during the Convention.
